

James Camp President

James (Jim) Camp is an ordained youth pastor in Little Rock, Arkansas and is employed in the construction field. He has an electronics degree and has previously worked in the electronics field. He has been married to his wife Donna for 20 years.

Jim is a natural problem solver and enjoys spending his time with children and youth to mentor and guide them in life. He is a fun loving person that attracts youth where ever he goes.

Jim has been involved in Christian youth camps for many years and he sees the benefit of spending quality time with youth. The youth and children open up to Jim and share their fears and dreams so that encouragement and wise counsel can be injected.

Jim and his wife Donna established the non-profit Camp Tetelestai to expand their ministry to youth in the hopes of building a youth camp facility on their property in Greenbrier, Arkansas. Their desire is to make camp retreats affordable for any that would like to attend.

In lieu of a building Jim has plans to establish in the very near future a paint ball course on his property to provide a fun activity for the teens. A fun activity for youth is an excellent mentoring tool to observe unguarded feelings and emotions to provide guidance in a productive manner.

Jim is a Christian man that loves the Lord and with his God given abilities he is changing the lives of youth.
